**THE ALUMASC GROUP PLC**  
**("ALUMASC" or 'the Group')**  
**Export Contract Wins for Innovative**  
**Alumasc Water Management Solutions**

Alumasc, the premium sustainable building products, systems, and solutions group, is pleased to announce that Gatic, part of the Group's Water Management division, has been awarded a number of new contracts in the Middle East and Far East. Building on earlier contract wins, the sales value of these orders total, in aggregate, in excess of £3.5 million.

These contracts are for the supply of Gatic access and drainage products for a number of projects, including further Gatic access covers for the third runway at Chek Lap Kok airport in Hong Kong, Gatic access cover sales to Doha, Qatar, and Gatic Slotdrain sales to the South Harbour Expansion in Manila, the Philippines. Supply has already commenced, and these contracts are expected to be delivered over the next 12 months.

Mr Paul Hooper, CEO said: "These are excellent export wins for Alumasc that demonstrate our globally renowned quality and leading edge products. It also endorses our position as a highly respected supplier of environmentally friendly solutions for infrastructure projects worldwide and underpins the Board's confidence for 2022."

**Notes to Editors:**

Alumasc is a UK-based supplier of sustainable premium building products, systems and solutions. Almost 80% of Group sales are driven by building regulations and specifications (architects and structural engineers) because of the performance characteristics offered.

The Group has three business segments with strong positions and brands in their individual markets. The three segments are: Building Envelope; Water Management; and Housebuilding Products.
